
THE RIVA NOW AND IN THE FUTURE

The expansion of our facilities continues

Dear Guest,

Creation of the new living spaces on the north side of our property steadily continues. We already look forward today to being able to amaze you in future with an expanded offer of **spacious rooms** and **banquet facilities**, as well as a beautiful spa area with **exclusive treatment rooms**.

During the expansion work, there is a chance of **increased background noise** from **Monday to Friday** between **8am** and **6pm**. However, we are making every effort to **minimise** the **impact** on our premises and to make sure you have a **great time** with us at the RIVA.

The **next stage of work** is taking place at the entrance and exit area of our under-ground **car park**. As a result, dear guests, we unfortunately can only offer reduced parking in our private underground car park and have to kindly ask you to alternatively use the surrounding public parking spaces.

Should you wish to choose an **alternative mean of transport**, we are naturally happy to help you organise your arrival.

Please feel free to contact us at any time with your questions or to receive additional information. We are looking forward to your visit at the RIVA.

With best regards from Lake Constance,

Your hotel RIVA Team
